

The picture of the girls goes (L-R) as follows:

Renee Bichette Ruderman, Helene Pawlicki Rhodes, Gail Anderson Bates, Julie Bishopp Bradl, Cathy Yaniga Aloï and Jane Holmsen Woodward.

We meet monthly for lunch and this picture was taken on Hilton Head Island two years ago while we were at my place for a long weekend. Helene came over from her home in Georgia about 2 ½ hours away and Julie flew in from Texas. The rest of us came down from NY/NJ. The lunch group started about 7 or 8 years ago as we all began to retire or at least go to part-time work. The group also includes Pat Drummond Hoffman, Janet Edsall Fischer and Linda Bohnel (Jay's wife). Classmates from out of town frequently contact us and we arrange lunch around their visit if at all possible. Helene, Julie and Marilyn Winter Garten have visited with us during 2007.
